5. Security Education

[] stated that the DCI recently completed a videotape presentation on the subject of unauthorized disclosures. The DCI will use the tape to supplement the many speeches he is scheduled to give regarding "leaks" throughout the Intelligence Community. [] also videotaped a presentation recently which will be used to welcome new EOD's into the Agency and familiarize them with basic security practices and procedures. [] presentation is one of several efforts in the Security Education Group's (SEG) project to refine the EOD Security Indoctrination and Security Awareness Programs. Other efforts in SEG's planned enhancement of the programs include additional videotape presentations, a new "generation" of slides, and related briefing materials. []
